

Greetings Deer Creek Neighbors!

We hope your 2019 is off to a great start. The Board Members you elected last month have been working with the existing Board to keep Deer Creek great. The new officers are:

KayMarie Briddell- President

Martha McKim- VP

Henry Davis- Treasurer

Yahnira Backus- Secretary

We've had a handful of purposeful meetings, during which we've reviewed old policies and composed some new ideas. We are seeking to identify and adopt "best practices" ; we are striving to embrace accountability and transparency . We are looking at forming committees to review every facet of Deer Creek's operations.

One of the most innovative services we're exploring is a link on the Deer Creek website that will allow homeowners to receive important information and news..

One possible shortcoming we've identified is that some PODs lack a Neighborhood Representative . This poses a risk of those PODs not having a voice.

Please remember, we can only accomplish our greatest goals if we have participation from everyone. We are here to serve you. Please send your concerns to members of the HOA Board of Directors, your Neighborhood POD Representative, and or the Deer Creek office staff.

Sincerely,

KayMarie Briddell

President, Deer Creek HOA Board of Directors
