If the written designation is not delivered to the Secretary, all voting rights with respect to that Lot or Condominium Unit are suspended until such designation is delivered to the Secretary of the Association. In no event shall a Mortgagee, as such, be entitled to membership hereunder unless and until such Mortgagee acquires title to a Lot or Condominium Unit through foreclosure or

The Neighborhood Representative shall also be responsible for delivering to the President of the Association the voting ballots of the Member Representatives located in the Neighborhood Representative's Neighborhood. No Neighborhood Representative shall have any voting rights at any Association Meeting, except in its capacity as a Member Representative. A Neighborhood Representative, as such, does not constitute an agent, Director, officer or employee of the Association and, unless expressly authorized in writing by the Board, has no authority to represent, bind or take action for and on behalf of the Association.

2. Election: In order for a Neighborhood Representative to be elected from each Neighborhood, the Board shall cause to be called at least ninety (90) days before the date set for the annual Association Meeting an annual Neighborhood Meeting for each Neighborhood, which Neighborhood Meeting is to be actually held before the annual Association Meeting. For this purpose, each Neighborhood Meeting shall be separate from every other Neighborhood Meeting. The Board shall cause written notice of the place, day and hour of the annual Neighborhood Meeting to be delivered, either

personally or by mail, to each Member Representative whose Lot or Condominium Unit is located within the particular Neighborhood for which the meeting is held, not less than ten (10) days nor more than fifty (50) days before the date of such meeting. If a quorum is not present, the Neighborhood Meeting shall be adjourned to a date selected by the President of the Association which date shall not be less than seven (7) days and no more than twenty-one (21) days after the date originally set for the Neighborhood Meeting. At least five (5) days notice shall be given to each Member Representative within that Neighborhood of the time and place of the adjourned meeting in the manner provided for giving notice in this subparagraph C.2. However, if a quorum is still not present at the adjourned meeting or if no Neighborhood Representative is elected at any Neighborhood Meeting, adjourned or otherwise, the Board shall appoint, from among the Member Representatives of the particular Neighborhood, a Member Representative to serve as Neighborhood Representative for that particular Neighborhood. After the Member Representative's election or appointment in this subparagraph C.2., and upon acceptance by the Member Representative of the duties of a Neighborhood Representative, the Member Representative who is elected or appointed and who has accepted the duties shall be considered the Neighborhood Representative for that Neighborhood. If a Member Representative of a Neighborhood is elected by the Member Representatives of that Neighborhood or is appointed by the Board for that Neighborhood and refuses to accept

the position and duties as Neighborhood Representative, then that Neighborhood shall not have a Neighborhood Representative until the Member Representatives from that Neighborhood duly elect a Neighborhood Representative for the Neighborhood at the next following annual Neighborhood Meeting.

3. Term: A Neighborhood Representative for a Neighborhood shall serve until that Neighborhood's next following annual Neighborhood Meeting and, thereafter, until his or her successor is elected or appointed and qualified hereunder, unless the Neighborhood Representative earlier dies, resigns, ceases to be a Member Representative, or is otherwise removed from the position. A Neighborhood Representative from a particular Neighborhood may be removed by the Board only upon the written request of Member Representatives of the particular Neighborhood who represent a majority of the total votes entitled to be cast at the annual Neighborhood Meeting by the Member Representatives from that particular Neighborhood, by delivering, either in person or by mail, a written notice of removal to the Neighborhood Representative. Such removal may be made at any time and with or without cause. Unless a later date is stated in the notice of removal, the removal shall be effective immediately upon delivery of such notice, whether personally or by mail. If a vacancy occurs in any Neighborhood Representative position at any time before the particular Neighborhood's next following annual Neighborhood Meeting, the position shall remain vacant until the next following annual Neighborhood Meeting at which a Member Representative from that Neighborhood shall be elected and qualified to serve as Neighborhood Representative.

4. Notice: The President of the Association may cause to be called special Neighborhood Meetings, and the President shall call at the direction of the Board special Neighborhood Meetings. At least five (5) days written notice of the special Neighborhood Meeting shall be given, either personally or by mail, to each Member Representative whose Lot or Condominium Unit is located within the Neighborhood for

which the meeting is called. The notice shall state the time, date and place of the meeting and the purpose or purposes for which the meeting is called. The President of the Association or his designee shall preside at all Neighborhood Meetings. Before any Neighborhood Meeting is held, the Board shall designate the method by which voting for the election of Neighborhood Representatives will occur at the Neighborhood Meeting, and such method may include, but is not limited to, voting by raised hands, oral voting, voting by ballot or voting by mail. The Board in designating the method for voting may allow voting to occur at any time on or before the date set for the Neighborhood Meeting.

If the designated meeting date shall fall upon a legal holiday, such Association Meeting shall be held upon the next succeeding business day. Failure to hold any annual Association Meeting within the time frame specified shall neither impair the organization of the corporation nor the validity of any corporate action.

F. Special Meetings: The President of the Association may cause to be called special Association Meetings if so directed by resolution of a majority of a quorum of the Board or upon a petition signed by Member Representatives representing at least one-third (1/3) of the total

votes of the Association then entitled to be cast at the special Association Meeting. The notice of any special Association Meeting shall state the date, time, and place of such meeting and the purpose or purposes therefor. No business shall be transacted at a special Association Meeting except that as provided for in the notice thereof.

G. Notice of Meetings: Written notice stating the place, date, and time of any Association Meeting shall be delivered, either personally or by mail, to the Class E Member, each Member Representative and each Neighborhood Representative not less than ten (10) days nor more than fifty (50) days before the date of such meeting, by or at the direction of the President or the Secretary of the Association, provided, however, that no notice need be given to the Class E Member, as such, after the Class E Membership Termination Date. If the notice is of a special Association Meeting, the notice shall also state the purpose or purposes for which the meeting is to be held. If mailed, the notice of such meeting shall be deemed delivered when deposited in the United States first class mail addressed to the Class E Member, the Member Representative or the Neighborhood Representative, as the case may be, at his or its address as it last appeared on the records of the Association, with postage thereon prepaid.

The Class E Member, Member Representative, or Neighborhood Representative may waive notice of any Association Meeting, annual or special, either before or after the date set for such meeting in the notice. Attendance by the Class E Member, Member Representative, or Neighborhood Representative at an Association Meeting shall be deemed a waiver by the attending Class E Member, Member Representative or Neighborhood Representative, of notice of the time, date and place thereof, and of notice of the business to be transacted at such meeting, unless such Class E Member, Member Representative or Neighborhood Representative specifically objects, at the beginning of

the applicable Association Meeting, to the lack of proper notice and, thereafter, abstains from voting on all business presented at the meeting.

I. Adjournment of Meetings: If any Association Meeting cannot be held because a quorum is not present, the President of the Association may adjourn the meeting to a time not less than ten (10) days nor more than fifty (50) days from the date of the original meeting. At the meeting to which the original meeting was adjourned, if a quorum is present, any business which might have been transacted at the original meeting may be transacted at such adjourned meeting. Notice of an adjourned meeting need only be given to the Class E Member, each Member Representative and each Neighborhood Representative who did not attend the original meeting. Such notice shall be given at least ten (10) days before the date set for the adjourned meeting.

At least thirty (30) days before the date set by the Board for sending out the notice for an Association Meeting, annual or special, the Board shall establish an agenda of items to be presented to a vote at such Association Meeting. The agenda shall state each item to be voted on and specifically describe the proposal relating thereto. Simultaneously with the notice of the meeting, each Member Representative shall be sent both a copy of the descriptive agenda and a ballot for voting on each agenda item. Each Member Representative shall vote on each item which is to be voted upon by marking the ballot in the appropriate location, signifying whether such Member Representative votes for, against or abstains from the item and signing the ballot. In order to be effective, the signed and marked ballot must be delivered by the voting Member Representative, either personally or by mail, to that Member Representative's Neighborhood Representative (if there is a Neighborhood Representative serving for that Neighborhood) no later than the date immediately preceding the date set for the special or annual Association Meeting for which the ballot is given. Regardless of the reason, any ballot received by the Neighborhood Representative after the date immediately preceding the date set for the Association Meeting will be invalid and not be counted for any purpose. If, for any reason, there is no Neighborhood Representative for a Neighborhood at the

time votes are to be cast for an Association Meeting, the Member Representatives for that Neighborhood shall cast their votes by delivering their signed and marked ballots to the President of the Association at the principal office of the Association no later than the date immediately preceding the date set for the annual or special Association Meeting, as the case may be. No items may be presented for a vote at an Association Meeting unless listed on the agenda. The agenda of items does not limit the discussion at any Association Meeting to only those items listed on the agenda; instead it only limits voting to those items listed thereon. No vote is provided as to the items which are to be discussed at the applicable Association Meeting. The ballots shall be opened and counted before the Association Meeting. The sealed ballots are to be delivered by the Neighborhood Representative to the President of the Association. The President of the Association and the Neighborhood Representative for the particular Neighborhood shall together count the votes from the ballots and certify the number of votes counted in a writing signed by both the President of the Association and the Neighborhood Representative. If there is no Neighborhood Representative, then the counting shall be performed by both the President and Secretary of the Association, who shall then certify in a writing signed by them the votes counted.

K. [Reserved Solely for Paragraph Marking Purposes.]

L. Action of the Members; Quorum: Except as otherwise required herein, the affirmative vote of a majority of the Members present or represented by ballot at the meeting at which a quorum is present, is required in order to take action unless a greater proportion is required by the Act or the Articles of Incorporation. The presence, in person or by ballot, of Member Representatives who represent ten (10%) percent of the votes entitled to be cast at such meeting shall constitute a quorum at all Association Meetings. For purposes of Neighborhood Meetings, the presence of Member Representatives from that Neighborhood representing ten (10%) percent of the total number of Member Representatives from that Neighborhood shall constitute a quorum at that Neighborhood Meeting.”

M. Conduct of Meetings: The President of the Association shall preside over all Association Meetings, and the Secretary of the Association shall keep the minutes of the Association Meetings and record in a minute book all resolutions adopted and actions taken at said meetings, as well as the recording of all other business transactions occurring thereat. In order to maintain an orderly meeting, only the Class E Member and the Neighborhood Representatives are allowed to speak at any Association Meeting unless the President of the Association recognizes a Member Representative to speak at an Association Meeting.

In no event shall an individual and his or her spouse serve on the Board at the same time. In the event a Member Representative which is not an individual is elected as a Director, that Member Representative shall appoint in writing an officer or agent to serve as Director.

B. Number of Directors: In no event shall the number of Directors of the Association be less than seven (7), although the number of directors of the Association may be increased from time to time by amendment to these Bylaws. Each Director of the Association shall be an individual who has attained at least twenty-five (25) years of age. The number of initial Directors of the Association named in the Articles of Incorporation is seven (7), which shall be the number of Directors fixed by these Bylaws.

C. Nomination of Directors: On and before the Class E Membership Termination Date, no election of Directors to the Board shall be held and, therefore, no nominations for election will be made. After the Class E Membership Termination Date, nominations for election to the Board shall be allowed and shall be submitted in writing to the President or to the Secretary of the Association on or before the deadline set by the Board for accepting nominations. Nominations shall not be permitted from the floor at any meeting.

D. Election and Term of Office: Except for the initial Directors of the Association named in the Articles of Incorporation and only after the Class E Membership Termination Date, Directors of the Association shall be elected in accordance with the terms and conditions contained in this Paragraph D of Article V hereof.

(1) In the case of the initial Directors named in the Articles of Incorporation, each Director shall serve until the Class E Membership Termination Date and, thereafter, until his successor is duly elected and qualified in accordance with subparagraph D.(2) below, unless such Director's term is earlier terminated as provided in subparagraph D.(3) below. The immediately preceding sentence shall be deemed to be a provision fixing the term of office of the initial Directors. Any vacancy created on or before the Class E Membership Termination Date in any directorship position occupied by an initial Director shall be filled in accordance with Paragraph F of this Article V.

The Member Representatives shall elect a Member Representative for each directorship position by the affirmative vote of Member Representatives representing a majority of the votes of the

Association entitled to be cast thereat. The first set of Directors elected after the Class E Membership Termination Date shall be elected for one (1) and two (2) year staggered terms, respectively, and at each annual Association Meeting after such set of Directors is elected, four (4) Member Representatives will be elected to serve as Directors for a full two-year term allowing for continuity on the Board, unless such Director's term is earlier terminated in accordance with subparagraph D.(3) below. The specific directorship positions on the first set of elected Directors for which a Director will serve a one-year or two-year term shall be designated by the Board prior to the first election of Directors by the Member Representatives. No Director shall serve for more than two (2) successive terms, except that the four (4) Directors elected immediately after the Class E Membership Termination Date who served one-year terms, respectively, may serve two additional successive two-year terms.

(3) Anything contained herein to the contrary notwithstanding, and regardless of whether such Director is an initial Director, an appointed successor to an initial Director or an elected Director, a Director's term shall automatically be terminated and the Director's position vacated upon the death of a Director, upon said Director ceasing to be a Member Representative (if membership in the Association is a requirement for that individual to be a Director), upon voluntary resignation by a Director, upon said Director becoming over sixty (60) days past due in the payment of any Assessment or indebtedness to the Association (if membership in the Association is a requirement for that individual to be a Director) or upon said Director being removed from office.

On and before the Class E Membership Termination Date, any Director may be removed from office with or without cause only upon the written request of the Class E Member, or Member Representatives, who represent a majority of the votes entitled to be cast at an Association Meeting called for the purpose of removing the Director, provided, however, that no Association Meeting need be called to remove the Director. After the Class E

Membership Termination Date, a Director may be removed from office only upon the written request of Member Representatives representing a majority of the votes entitled to be cast at a special Association Meeting called for the purpose of removing the Director. A Director shall be removed effective at the time such Director is provided with a written notice of removal unless a later date is specified in the written notice of removal. If a stated purpose in the notice of the special Association Meeting which is held for the purpose of removing a Director, or if a waiver of notice is signed by the number of Member Representatives sufficient to remove a Director hereunder, a new Director may be elected at such special Association Meeting.

F. Vacancy: Any vacancy occurring in the Board and any directorship to be filled by reason of an increase in the number of directors shall be filled by the affirmative vote of a majority of the then remaining Directors, though less than a quorum of the Board. Any Director appointed to fill a vacancy hereunder shall serve only for the remainder of the unexpired term of the predecessor Director whose term is being filled, unless the Director appointed to fill the vacancy is otherwise elected or reelected to an additional term or terms.

G. Regular Meetings: Regular meetings of the Board shall be held at such time and at such place as shall be determined by a majority of the Directors at the first Board meeting of the fiscal year, provided, however, that at least four (4) such meetings shall be held during each fiscal year with at least one (1) meeting being held per quarter. The notice shall specify the time and place of the meeting and the purpose or purposes for which the meeting is held. Such notice shall be given to each Director at least forty-eight (48) hours before said special meeting is to commence and may be given by any of the following methods:

- (a) personal delivery;
- (b) telephone communication; or
- (c) telecopier facsimile transmission.

I. Waiver of Notice: Any Director may waive notice of a meeting, either before or after the time stated in the notice for the meeting, by signing a written waiver of notice of the meeting. The waiver of notice need not specify the purpose of said meeting. Attendance of a Director at a meeting shall constitute a waiver of notice by the Director unless the Director objects, at the beginning of the meeting, to the transaction of business at the meeting because of improper notice.

J. Action of Board; Quorum of Directors: The affirmative vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board, unless a greater vote is required by the Act, the Articles of Incorporation or these Bylaws. At all meetings of the Board, a majority in number of the Directors shall constitute a quorum for the transaction of business. If a quorum is initially present, the meeting may continue to transact business regardless of the withdrawal of a Director, so long as any action taken is approved by at least a majority in number of the required quorum for that meeting.

K. Conduct of Meeting: The President shall preside over all meetings of the Board and the Secretary shall keep a minute book of the meetings, recording therein all resolutions adopted by the Board and all transactions and proceedings occurring at such meeting.

(vi) To suspend the rights of a Member hereunder pursuant to the terms and conditions of these Bylaws or the Rules, provided, that, the suspension of rights of a Member shall only last for a period in excess of sixty (60) days unless the suspension of rights is due to the Member's failure to pay any Assessment due hereunder; and

(vii) To authorize the borrowing of money for the purpose of constructing improvements, repairing, restoring or maintaining Association Property without the direct approval of the membership; and

(viii) To adopt rules and regulations regarding Members use and enjoyment of Association Property, and Areas of Association Responsibility; and

(ix) To authorize, empower, carry out and take any and all actions, for and on behalf of the Association, that the Board deems necessary or desirable for the purposes of the Association.

ARTICLE VIII

ASSESSMENTS

A. Creation of Assessments: At the time a Member commences his membership in the Association, each Member covenants and agrees to pay to the Association with respect to his Member's Property the following: (a) an Initiation Assessment, as determined and provided for in Paragraph B of this Article VIII, (b) Base Assessments, as determined and provided for in Paragraph C of this Article VIII, (c) Special Assessments, as determined and provided for in Paragraph D of this Article VIII, (d) Neighborhood Assessments, as determined and provided for in Paragraph E of this Article VIII, (e) Individual Assessments, as determined and provided for in Paragraph F of this Article VIII, and (f) any and all other fines, fees, costs, expenses, interest and charges incurred by the Association in enforcing and collecting, or attempting to enforce and collect, the Assessments from or against the Member, including reasonable attorneys' fees, costs and expenses, whether incurred at trial or on appeal. All Assessments against a Lot or Condominium Unit, together with all interest on such Assessments, and all costs and reasonable attorneys' fees, including appellate attorneys' fees and court costs, incurred by the Association in collecting or attempting to collect such Assessments, shall be an equitable charge and continuing lien upon such Lot or Condominium Unit, and upon the Member's Property contained therein, to be enforced as hereinafter provided. Each Member shall be personally and, if a Lot or Condominium Unit is owned by more than one Member, jointly and severally liable for the payment of all Assessments imposed against the Lot or Condominium Unit in which the Member owns a fee simple interest. Each Member's ownership of Member's Property shall be subject to the equitable charge and continuing lien for payment of any and all Assessments imposed against the Lot or Condominium Unit of which the Member's Property constitutes a part, together with

interest on such Assessments, and costs and reasonable attorneys' fees, including appellate attorneys' fees and court costs, incurred by the Association in collecting or attempting to collect such Assessments, notwithstanding that such Assessments were imposed before that Member's ownership interest arose and notwithstanding that the Member may recover from his grantor any amounts paid by such Member to the Association. Each Member shall be personally and, if a Lot or Condominium Unit is owned by more than one Member, jointly and severally liable for the payment of all interest on such Assessments, and costs and reasonable attorneys' fees, including appellate attorneys' fees and court costs, incurred by the Association in collecting or attempting to collect an Assessment imposed against the Lot or Condominium Unit in which the Member owns a fee simple interest. Assessments shall be paid in such manner and on such dates as may be fixed from time to time by the Board in accordance with the other provisions of these Bylaws. All Assessments shall be payable in all events without offset or reduction for any reason. In no event shall a Member's transfer of his Member's Property release or relieve such Member from his obligation or liability to pay with respect to such Member's Property Assessments, with interest thereon, and costs and reasonable attorneys' fees, including appellate attorneys' fees and court costs, incurred by the Association in collecting or attempting to collect the Assessment, which such Assessments, costs and attorneys' fees were payable for a period of time before the date of transfer of the Member's Property. In no event shall the continuing obligation or liability of a Member for payments of Assessments or charges with respect to a Member's Property that was transferred by the Member to a Person or Persons in any way relieve such Person or Persons who receive a fee simple ownership interest in such Member's Property of the recipient Person's or Persons' obligation or liability with respect to the Assessments, including interest thereon, costs, and reasonable attorneys' fees (including appellate attorneys' fees and court costs) imposed by the Association against such Member's Property.

B. Initiation Assessment. Each Member shall be subject to an Initiation Assessment each time such Member shall acquire Member's Property (which Initiation Assessment shall be imposed with respect to each separate Member's Property) and also each time a Member shall lease his or

her Member's property to another. For this purpose, each Member shall be required to notify the Association each time a Member Property is leased. Such Initiation Assessment shall be established from time to time by the Board in an amount not to exceed four (4) times the then maximum monthly Base Assessment amount.

C. Base Assessment: The Base Assessment determined hereunder shall be used by the Association for the payment of its Expenses. For each fiscal year of the Association, the Association shall assess against each Lot and Condominium Unit a Base Assessment in order to pay such Expenses for the following fiscal year, such Assessment to be payable at the times established by the Board. For the first fiscal year of the Association, the maximum monthly Base Assessment amount shall be \$25 per month, with such maximum monthly Base Assessment amount increasing, without the consent of the Members of the Association, for each fiscal year thereafter by the greater of the following three (3) amounts for any particular fiscal year: (i) ten (10%) percent of the prior year's maximum monthly Base Assessment amount; (ii) the percentage of the prior year's maximum monthly Base Assessment amount equal to the percentage increase in the Consumers Price Index (urban) (as determined in November of a fiscal year for the following fiscal year to which the Base Assessment amount is to be determined) as compared to such Consumer Price Index's base year (1982-1984 base); or (iii) the percentage of the prior year's maximum monthly Base Assessment amount equal to the percentage increase in the Association's actual cost experience determined over the immediately preceding fiscal year period. If the monthly Base Assessment is determined to be in excess of the maximum monthly Base Assessment amount allowed to be established without the consent of Members in accordance with the immediately preceding sentence, then the proposed Base Assessment amount which is determined to be in excess of the maximum monthly Base Assessment amount for such fiscal year shall be required to be approved by the affirmative vote of a two-thirds (2/3rds) majority vote of those votes cast by ballot at an Association Meeting at which at least sixty (60%) percent of the total votes entitled to be cast have been cast by ballot. If sixty (60%) percent of the total votes entitled to be cast thereat did not cast their vote by ballot, then no vote

shall be held on the Base Assessment and a second Association Meeting shall be called upon notice for a special Association Meeting for the purpose of approving such Base Assessment. At such second Association Meeting, the proposed Base Assessment amount shall be required to be approved by a two-thirds (2/3rds) majority vote of the votes cast by ballot at such second Association Meeting at which at least thirty (30%) percent of the total votes entitled to be cast thereat have been cast by ballot. If the proposed Base Assessment was not approved at the second Association Meeting, then the Base Assessment shall be the maximum monthly Base Assessment determined for the fiscal year without Member consent. The Board shall have the authority to establish the Base Assessment for each fiscal year at any amount up to and including the maximum amount allowed for such year (taking into account any Membership approval of a Base Assessment amount for each fiscal year). After the Board determines the amount of Base Assessments, the Board shall fix the date or dates upon which the Base Assessments shall be paid by the Members. The determination of such Base Assessment amounts and the dates upon which such Base Assessments shall be payable, will be mailed to each Member Representative at his or her address as designated on the books and records of the Association.

D. Special Assessments: In addition to the Base Assessments authorized in Paragraph C of this Article VIII, the Association may, at any time during each fiscal year, assess and levy on each Lot or Condominium Unit a Special Assessment for the purpose of defraying, in whole or in part, the costs of any construction, reconstruction, repair or replacement of Association Property, or Area of Association Responsibility or the costs of any construction, reconstruction, repair or replacement of a capital improvement on Association Property or in an Area of Association Responsibility, including any fixtures or personal property related thereto; any significant increases in taxes assessed against the Association that occur after the Board determines the Base Assessment amount; the costs of holding Association meetings; any fines, penalties or charges assessed against the Association by the Governmental Authority; any tax penalties; any and all litigation expenses not otherwise covered by insurance; reasonable reserves for Association Property; unforeseen operating contingencies; amounts to cover casualties not funded by

insurance proceeds; and any other extraordinary costs which do not constitute an Expense of the Association, provided, that, any such Special Assessment shall be approved by an affirmative two-thirds (2/3rds) majority vote of those votes cast by ballot at a meeting at which at least sixty (60%) percent of all votes entitled to be cast thereat have been cast by ballot. If sixty (60%) percent of the votes entitled to be cast thereat are not cast at such meeting, then no vote shall be held on the Special Assessment and a second Association Meeting shall be called upon the notice required of a special Association Meeting for the purpose of approving the Special Assessment. At such second Association Meeting, the Special Assessment shall be approved if it receives the affirmative vote of a two-thirds (2/3rds) majority of those votes cast at such meeting if at least thirty (30%) percent of the total votes entitled to be cast have been cast by ballot. The Board shall determine the dates upon which such Special Assessments shall be due and payable. The final determination of such Special Assessment amounts and the dates upon which such Special Assessments shall be payable will be mailed to each Member Representative at his or her address as designated on the books and records of the Association.

E. Neighborhood Assessments: The Association may at any time during the fiscal year and from time to time during the fiscal year assess and levy on a Lot or Condominium Unit located within a particular Neighborhood a Neighborhood Assessment or Assessments to fund those costs and expenses of the Association incurred with respect to a particular Neighborhood Area or with respect to a particular Neighborhood by which Members located within that Neighborhood predominantly receive the benefit from the Association outlay, as compared to Expenses of the Association through which all Members benefit. Neighborhood Assessments may also be assessed and levied for those costs and expenses incurred by the Association in causing improvements to be made in the Neighborhood upon the request of the Members within that Neighborhood. The Neighborhood Assessments provided for in this Paragraph may be levied by the Association at any time and from time to time during the fiscal year, and the amount and due date of such Neighborhood Assessment or Assessments shall be as specified by the Board in a notice mailed to the Member Representatives of the Lot or Condominium Units so assessed at his

or her address as designated on the books and records of the Association. The Neighborhood Assessment shall be in addition to any and all other Assessments (whether or not any other Assessments are made), charges, costs, fees and fines provided for under the Declaration, the Articles of Incorporation, these Bylaws and the Rules.

F. Individual Assessments: Any damage to Association Property, or any costs or expenses of the Association, caused or incurred by the negligence, recklessness, or intentional action of less than all of the Members or by any Member, or the respective relatives, agents, guests, servants, employees, invitees or contractors of any Member, shall be specially assessed against the Lot or Lots or Condominium Unit or Units in which the respective Member or Members causing the expenses have Member's Property. The Board shall determine the Members whose negligence, recklessness or intentional action caused the damage or expenses, the amount of the Individual Assessments and the dates upon which such Individual Assessments shall be due and payable. The Member or Members against whose Member's Property such Individual Assessments are made shall be notified in a writing mailed to the Member Representative or Member Representatives for those Lots or Condominium Units being assessed at his or her address as designated on the books and records of the Association. The Individual Assessment is in addition to any other Assessment (whether or not any other Assessments are made), charge, cost, fee or fine provided for under the Declaration, the Articles of Incorporation, these Bylaws and the Rules.

G. Commencement of Assessments: Base and Special Assessments shall commence as to each Lot or Condominium Unit on the date set and on the terms and conditions established by the Board. Any Neighborhood or Individual Assessment shall commence on the date those Assessments are imposed by the Association through action of the Board. The Initiation Assessment shall commence on the date the Member becomes a Member of the Association.

H. Remedies of the Association:

1. Interest: Each Member covenants and agrees to pay to the Association all Assessments and charges provided for herein when due. In the event any Assessment or any portion thereof is not paid when due, the unpaid portion of the Assessment shall accrue simple interest at the rate of six percent (6%) per annum from and after the due date until the same is paid in full. If the Association engages an attorney to take any legal action in attempting to collect any amounts due from any Member, such Member agrees to pay all reasonable attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting or attempting to collect the amounts due from such Member. The lien and equitable charge upon each Lot or Condominium Unit, or Member's Property constituting a part of such Lot or Unit, for payment of Assessments as provided above shall also include a lien and equitable charge for all interest accrued thereon and all reasonable attorneys' fees, including appellate attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting or attempting to collect any unpaid Assessments.

2. Enforcement: In the event any Assessments or other amounts due the Association under this Article VIII are not paid by a Member when due, then, in addition to all of the rights and remedies provided at law or in equity, the Association may undertake any or all of the following remedies: (i) the Association may commence and maintain a suit at law against the Member to enforce payment of such Assessments and other amounts due the Association under this Article VIII; (ii) the Association may enforce the lien created pursuant to subparagraph G.3. below in the manner hereinafter provided; and/or (iii) suspend all of the Member's rights to use Association Property or to exercise any other rights granted in these Bylaws or in any Declaration.

3. Continuing Lien: A continuing lien is hereby created on each Lot or Condominium Unit, or Member's Property constituting a part of such Lot or Unit, to secure the payment to the

Association of any and all Assessments assessed and levied against the Lot or Condominium Unit and all charges, including interest and all reasonable attorneys' fees, including appellate attorneys' fees, court costs and other expenses, incurred by the Association in collecting or attempting to collect such Assessments. If any portion of an Assessment or other amount due the Association under this Article VIII remains unpaid for a period of sixty (60) days after the date such amounts were due, then the Association may, by written notice of default sent to the defaulting Member, demand payment of all delinquent amounts and charges. If the defaulting Member does not pay all amounts demanded within ten (10) days after receipt of the notice of default, the Association may file a notice of lien against the Lot or Condominium Unit to be recorded in the Probate Office. The Member hereby expressly grants the Association a power of sale for the Member's Property along with its lien hereunder. The lien provided for herein may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, exchange, hold, lease, mortgage, convey and sell any such Lot or Condominium Unit acquired.

Each Member shall be deemed to (1) grant to the Association, acting through its authorized agents, the right and power to exercise the power of sale granted herein and foreclose the lien created herein and (2) grant to the Association the right and power to bring all actions against such Member personally for the collection of all amounts due from such Member without first taking any action against any other Member.

4. Subordination of Lien: Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot or Condominium Unit is and shall be subordinate to: (1) all liens for taxes, bonds, prior assessments, and other levies which by law would be superior thereto and (2) the lien or charge

of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value.

I. Class E Member Option: Notwithstanding any other provision herein contained to the contrary, and only until the Class E Membership Termination Date, the Class E Member agrees to fund the “deficit” (as defined below) of the Association for each fiscal year before the Class E Membership Termination Date, which deficit shall constitute a lien against the Lots owned by the Class E Member until the deficit amount is fully paid as if such deficit were an Assessment under this Article VIII; provided, however, that the Class E Member shall be entitled to recover its subsidization of the “deficit” without interest thereon from any surplus monies received by the Association (including, without limitation, Assessments, interest, fines and incidental income) to the extent of such subsidization. Such recovery of the deficit amount may also be accomplished through the purchase by the Association of property used by the Association from the Class E Member, for more than nominal consideration but solely payable from such surplus monies. Notwithstanding anything contained herein to the contrary, the Developer’s recovery of the subsidization from the Association’s surplus may occur after the Class E Membership Termination Date. The “deficit” for which the Class E Member is to fund shall be the excess of (i) actual operating expenses of the Association (exclusive of capital improvement costs, reserves and other items for which a Special Assessment is or may be applicable) over (ii) the sum of all monies receivable by the Association (including, without limitation, Assessments, interest, fines and incidental income) for such year. Notwithstanding any other provision herein contained to the contrary, and only until the Class E Membership Termination Date, the Class E Member shall be subject to the Special Assessments determined in accordance with the provisions of Paragraph D of this Article VIII at the rate of twenty-five (25%) percent of the Special Assessment determined per Lot, but shall only be imposed with respect to those Lots owned by the Class E Member that are unoccupied at the time of the Special Assessment. In no event shall the Class E Member be responsible for or liable for funding any deficit after the Class E Membership Termination Date.

ARTICLE IX
MISCELLANEOUS

A. Fiscal Year: The initial fiscal year of the Association and any changes therein shall be established by resolutions of the Board of Directors as adopted from time to time.

B. Parliamentary Rules: Except as may be modified by Board resolution establishing modified procedures, Robert's Rules of Order (current edition) shall govern the conduct of the Association Meetings when not in conflict with Alabama law, the Articles of Incorporation or these Bylaws.

C. Conflicts of Law: If there are any conflicts or inconsistencies between the provisions of Alabama law, the Articles of Incorporation, the Declaration, and these Bylaws, then the provisions of Alabama law, the Articles of Incorporation, these Bylaws and the Declaration (in this order) shall prevail.

D. Books and Records: The Declarations, Articles of Incorporation, Bylaws, membership roster, books of account, and minutes of the Association Meetings, the meetings of the Board and committees thereof shall be made available for inspection and copying by any Mortgagee, any Member, or by his or her duly appointed representative, at reasonable times and for purposes reasonably related to the interests of the requesting party, at the office of the Association or at such other place as the Board shall prescribe. The Board may establish reasonable rules for the inspection of such documents, the copying of such documents and the usage of such documents, but in no event will the membership roster be made available to any individual for commercial purposes. Every Director shall have the absolute right, at any reasonable time, to inspect and/or copy any of said documents.

E. Seal: The seal of the Association shall be circular in form and mounted upon a metal die, suitable for impressing the same upon paper. About the upper periphery of the seal shall appear the words "Deer Creek Homeowners' Association, Incorporated" and about the lower periphery of the seal, the word "Alabama." In the center of the seal shall appear the words "Corporate Seal" and "1996."

F. Notices: Unless otherwise provided in these Bylaws, all notices, demands, bills, statements, or other communications under these Bylaws shall be in writing and shall be deemed to have been duly given if delivered personally or if mailed by first class mail with postage prepaid addressed to the following addresses:

1. If to a Member Representative or Neighborhood Representative, at the address to which the Member Representative or Neighborhood Representative, as applicable, has designated in writing and filed with the Secretary or, if no such address has been designated, at his or her Lot or Condominium Unit address; or

2. If to the Association, the Board of Directors, or the President, then at the principal office of the Association, if any, or at such other address as shall be designated for said entities or individuals on the records of the Association.

G. Amendment to Bylaws: These Bylaws may be repealed, modified or amended only by a majority vote of those votes entitled to be cast thereon at an Association Meeting at which a quorum is present, provided, however, that, on and before the Class E Membership Termination Date, any amendment to these Bylaws which either affects the basic organization of the Association or the rights to annex property hereunder, or otherwise constitutes a material amendment hereof, shall be subject to the prior approval of the Department of Veterans Affairs.

H. Indemnification: No Director or officer, or former Director or officer, of the Association shall be personally liable to the Association or its Members or to any Person for monetary damages for breach of duty as a Director or officer of the Association except for acts or omissions which involve intentional misconduct or knowing violations of the law, or such other act, omission or misconduct for which the law of Alabama prohibits exculpation of such liability.

The Association shall indemnify each and every Director, officer, former Director, or former officer of the Association, and each and every individual who may have served at the Association's request as a director or officer of another corporation, whether for profit or not, against expenses (including attorneys' fees) actually and reasonably incurred by such individual in connection with the defense of any action, suit or proceeding, civil or criminal, in which such individual is made a party by reason of being or having been such director, or officer, except in relation to matters as to which such individual shall be adjudged in such action, suit or proceeding to be liable for actions which involve intentional misconduct in the performance of his or her duty. If the Act is hereafter amended to provide for more liberal indemnification of such expenses, such indemnification to the fullest extent then permitted by the Act, as amended, shall be provided such individual. The Association shall further indemnify any individual who was or is a Director or officer of the Association and any individual who may have served at its request as an officer, director, partner, employee or agent of another corporation, whether for profit or not, against judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding, civil or criminal, in which he or she is made a party by reason of serving or having served in such capacities, if such individual acted in good faith and in a manner that such individual reasonably believed to be in and not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the individual did not act

in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, shall not of itself create a presumption that the individual had reasonable cause to believe that his or her conduct was unlawful. To the extent that such individual has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to herein or any claim, issue or matter therein, such individual shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith, notwithstanding that such individual has not been successful on any other claim, issue or matter in any such action, suit or proceeding. Any indemnification hereunder shall be made by the Association only as authorized in the specific case upon a determination that indemnification of such individual is proper in the circumstances because such individual has met the applicable standard of conduct set forth herein. Such determination shall be made by (a) the Board by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable, or even if obtainable a quorum of the disinterested Directors so directs, by independent legal counsel in a written opinion. Expenses (including attorneys' fees) incurred in defending any such action or proceeding may be paid by the Association in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of such individual to repay such amount, if any, that shall ultimately be determined that such individual is not entitled to be indemnified for by the Association as authorized herein. When not advanced, such expenses incurred shall be paid upon such terms and conditions, if any, as the Board deems appropriate. The indemnification and advancement of expenses herein provided shall not be deemed exclusive of, and shall be in addition to, any other rights to which those seeking indemnification or advancement of expenses may be entitled under any statute, rule of law, provision of bylaw, agreement, vote of members or disinterested Directors or otherwise. The indemnification and advancement of expenses herein provided shall continue as to an individual who has ceased to be a Director or officer and shall inure to the benefit of the heirs, executors and administrators of such individual. All of the foregoing provisions of this

Paragraph H shall apply with like and equal effect to each and every member of the ARC established by the Board in accordance with the Bylaws.

The Association shall have the power, but not the obligation, to purchase and maintain insurance on behalf of any individual who is or was a Director, officer, employee or agent of the Association or is or was serving at the request of the Association on the ARC or as a director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such individual in such capacity or arising out of such individual's status as such, whether or not the corporation would have the power to indemnify such individual against such liability were such individual working in such capacity for the Association.

The approval methods allowed hereunder shall be applicable for all purposes under these Bylaws, including, but not limited to, the use of such methods under Paragraph G of Article IX of these Bylaws.

O.
